Benefits of Working with AmTrust EXEC

Underwriting Expertise: AmTrust EXEC is a deeply experienced underwriting team, routinely delivering solutions for the unique risks facing executives at privately and publicly held companies. We are distinguished by the depth and breadth of our product offerings for medium- and large-sized businesses.

We make the simple things easy and, more importantly, simplify the difficult things other carriers with layers of underwriting authority can't.

Our Executive Liability divisions offer:

- **Primary** and true follow-form **Excess** policies for all lines
- Up to **\$10M** in limit **capacity**
- **Admitted** and **non-admitted** capabilities

AmTrust EXEC: Commercial and Nonprofit Management Liability

We offer a modular product suite customizable for every client's unique coverage needs:

- Directors & Officers Liability, including Side A DIC
- Employment Practices Liability (EPL)

- Fiduciary Liability
- Commercial Crime

For more information about our Commercial and Nonprofit Management Liability products, please visit [AmTrustEXEC.com](https://www.amtrustEXEC.com).

AmTrust FI: Management and Professional Liability for Financial Institutions

In addition to **D&O**, **EPL** and **Fiduciary** Liability coverage, our FI group offers customized coverage for risks unique to Financial Institutions' professional exposures:

- Professional Services Liability
- Lender Liability
- Securities Liability
- Financial Institutions Bond
- Credit Union Bond

For more information about coverage from our FI group, please visit [AmTrustFI.com](https://www.amtrustFI.com).

AmTrust PRO: Professional Liability Unique to Lawyers

Lawyers Professional Liability (LPL) Insurance

AmTrust Pro Underwriters review each risk individually with the ability to consider the best fit whether it's admitted or E&S, primary or excess, or quota share (lead or coinsure). We can also offer Standalone ERPs or retro repair (regardless of firm size), making AmTrust a one-stop shop for your Lawyers Professional Liability coverage needs.

- Numerous built-in coverage enhancements
- Options tailored for each individual risk
- Excess and quota share options for both Admitted and Non-Admitted lines
