

# E&S Lawyers Professional Liability Insurance

AmTrust EXEC PRO recognizes that each law firm has its own unique practices, and liability coverage is not a one-size-fits-all solution. We carefully assess each risk, focusing on the specific needs of the firm, and provide coverage terms tailored to their individual exposures.

## Stand-Alone ERP

## Retro-Repairs

## Quota Shares - Primary or Excess

(Lead or Participating)

Our Lawyers Professional Liability (LPL) Insurance offers flexible, customizable protection for law firm exposures that do not fit within the box of standard admitted markets due to area of practice, disciplinary or claims history, or the necessity of a unique carveback of coverage. We review each risk independently and our experienced underwriting team always works to find solutions for law firms in the nonadmitted market.
