**SUPPLEMENT TO THE PROXY STATEMENT FOR
THE SPECIAL MEETING OF STOCKHOLDERS
To Be Held On June 4, 2018**

This supplement (this “Supplement”) amends and supplements the disclosures contained in the definitive proxy statement (the “Definitive Proxy Statement”), filed by AmTrust Financial Services, Inc., a Delaware corporation (the “Company”), with the Securities and Exchange Commission (the “SEC”) on May 4, 2018 in connection with a special meeting of the stockholders of the Company to be held at 800 Superior Ave., Cleveland, Ohio 44114, on June 4, 2018, at 10:00 a.m., Eastern time. The purpose of the special meeting is to consider and vote upon, among other things, a proposal to adopt the Agreement and Plan of Merger, dated as of March 1, 2018 (as amended, supplemented or otherwise modified from time to time, the “Merger Agreement”), by and among Evergreen Parent, L.P., a Delaware limited partnership (“Parent”), Evergreen Merger Sub, Inc., a Delaware corporation and wholly owned subsidiary of Parent (“Merger Sub”), and the Company. Pursuant to the Merger Agreement, Merger Sub will be merged with and into the Company, the separate corporate existence of Merger Sub will cease and the Company will continue its corporate existence under Delaware law as the surviving corporation in the merger. Parent will own 100% of the common stock of the Company following the transactions contemplated by the Merger Agreement. The Definitive Proxy Statement was first mailed to the stockholders of the Company on May 4, 2018.

The information contained in this Supplement speaks only as of May 24, 2018, unless the information specifically indicates that another date applies.

After careful consideration, the board of directors of the Company (the “Board”) unanimously determined that the Merger Agreement, the merger and the other transactions contemplated thereby are fair, advisable and in the best interests of the Company and its stockholders, including the Unaffiliated Stockholders (as defined in the Definitive Proxy Statement). The Board recommends unanimously that you vote “FOR” the adoption of the Merger Agreement and “FOR” the adjournment of the special meeting from time to time, if necessary, to solicit additional proxies if there are insufficient votes at the time of the special meeting to approve the proposal to adopt the Merger Agreement.

If you have not already submitted a proxy for use at the special meeting, you are urged to do so promptly. No action in connection with this supplement is required by any stockholder who has previously delivered a proxy and who does not wish to revoke or change that proxy.

The date of this Supplement to the Definitive Proxy Statement is May 24, 2018.

LITIGATION RELATED TO THE MERGER

Following the filing of the Definitive Proxy Statement, on May 9, 2018, purported stockholders of the Company filed putative class action lawsuits against the Company and members of the Board (other than Mr. Serock) in the United States District Court for the Southern District of New York, captioned *Bartholomew v.*

AmTrust Fin'l Services, Inc., et al., Case No. 1:18-cv-04178 (S.D.N.Y.) and *Myhre v. AmTrust Fin'l Services, Inc., et al.*, Case No. 1:18-cv-04175 (S.D.N.Y.), respectively. The complaints are substantially identical and allege that the defendants violated Sections 14(a) and 20(a) of the Securities Exchange Act of 1934 (as amended, the "Exchange Act") because the preliminary proxy statement filed with the SEC on April 9, 2018 (the "Preliminary Proxy Statement") allegedly omitted material information with respect to the merger, thus rendering the Preliminary Proxy Statement false and misleading. The complaints seek, among other things, injunctive relief preventing the consummation of the merger and costs of the applicable action, including reasonable allowance for plaintiff attorneys' and experts' fees.

On May 15, 2018, a purported stockholder of the Company filed a putative class action lawsuit against the Company and members of the Board in the United States District Court for the Northern District of Ohio, captioned *Shust v. AmTrust Fin'l Services, Inc., et al.*, Case No. 1:18-cv-01129 (N.D. Ohio). On May 18, 2018, a purported stockholder of the Company filed a putative class action lawsuit against the Company and members of the Board in the United States District Court for the Southern District of New York, captioned *Raul v. AmTrust Fin'l Services, Inc., et al.*, Case No. 1:18-cv-04440 (S.D.N.Y.). On May 21, 2018, a purported stockholder of the Company filed a putative class action lawsuit against the Company, members of the Board, Parent, Merger Sub and Stone Point in the United States District Court for the Southern District of New York, captioned *Rabinowitz v. AmTrust Fin'l Services, Inc., et al.*, Case No. 1:18-cv-04484 (S.D.N.Y.). Similar to the complaints described above, the complaints allege that the defendants violated Sections 14(a) and 20(a) of the Exchange Act because the Definitive Proxy Statement, in the case of the *Shust* complaint and the *Rabinowitz* complaint, and the Preliminary Proxy Statement, in the case of the *Raul* complaint, omitted or misrepresented material information concerning the merger. The complaints seek, among other things, injunctive relief preventing the consummation of the merger unless additional disclosure is provided and costs of the applicable action, including for plaintiff attorneys' and experts' fees.

On May 21, 2018, purported stockholders of the Company filed a complaint against the Company and certain of its directors in the Delaware Court of Chancery, captioned *Icahn Partners LP, et al. v. Zyskind, et al.*, Case No. 2018-0358 (Del. Ch.). The complaint alleges that the defendants violated their fiduciary duties to the Company and seeks, among other things, a declaration that the merger was not entirely fair and an order rescinding the merger or granting an award of rescissory damages, interest and expenses, including reasonable allowance for attorneys' fees and costs.

SUPPLEMENTAL DISCLOSURES

The Company believes that no further disclosure is required to supplement the Definitive Proxy Statement under applicable laws; however, to avoid the risk that the litigations described above may delay or otherwise adversely affect the consummation of the merger and to minimize the expense of defending such actions, the Company wishes to voluntarily make supplemental disclosures related to the merger, all of which are set forth below, in response to certain of the allegations raised in the complaints described above. Nothing in this Supplement shall be deemed an admission of the legal necessity or materiality of the disclosures set forth herein. To the contrary, the Company specifically denies all allegations in the complaints described above that any additional disclosure was or is required. The information contained in this Supplement is incorporated by reference into the Definitive Proxy Statement. To the extent that information in this Supplement differs from or updates information contained in the Definitive Proxy Statement, the information in this Supplement shall supersede or supplement the information in the Definitive Proxy Statement. Capitalized terms used herein, but not otherwise defined, shall have the meanings ascribed to such terms in the Definitive Proxy Statement. Unless stated otherwise, new text is bolded and underlined to highlight the supplemental information being provided to you and deleted text is bolded and denoted by a strike-through.

The Board, the Special Committee and the Special Committee’s financial advisor also considered, for reference purposes only, the Case 1 Projections, the Case 2 Projections and the Downside Case Projections, which are presented below. **The Budget Projections, which were not considered by the Special Committee and the Special Committee’s financial advisor (as noted below), are also presented below.** In chronological order, management made available to the Board, the Special Committee and the Special Committee’s financial advisor the **Budget Projections, followed by the** Case 1 Projections, followed by the Case 2 Projections, the Special Committee Case Projections and the Downside Case Projections. The Case 1 Projections were prepared by the Company’s management based on the Budget Projections (which projections were prepared by management in connection with the Company’s annual budgeting process and made available to the Special Committee, but not considered due to the fact that they required updating), as further described in “Special Factors—Background of the Merger” beginning on page 21, as adjusted to give effect to the Tax Cuts and Jobs Act of 2017, recent transactions involving the Company, and certain operating adjustments reflecting an updated outlook for the fourth quarter of 2017 and the full year 2017. The Case 2 Projections were prepared by the Company’s management at the request of the Special Committee as an alternate case to the Case 1 Projections to reflect a more challenging operating environment as well as the reputational and business pressures faced by the Company, slower growth, more conservative projected underwriting assumptions reflecting recent loss reserve

activity and a more conservative balance sheet in light of rating agency concerns, as further described in “*Special Factors—Background of the Merger*” beginning on page 21. The Special Committee Case Projections were thereafter prepared by the Company’s management at the request of the Special Committee by making certain specified adjustments to the assumptions reflected in the Case 2 Projections, as further described in “*Special Factors—Background of the Merger*” beginning on page 21, particularly with respect to gross premium written growth, loss ratio, net investment yield and capital return. Finally, the Downside Case Projections were prepared by the Company’s management at the request of the Special Committee to illustrate the negative consequences to the Company of a potential ratings downgrade.

Two derivative suits have also been filed in the U.S. District Court for the District of Delaware. On May 11, 2017, one of the Company’s stockholders, West Palm Beach Police Pension Fund, filed suit (West Palm Beach Police Pension Fund v. Zyskind et al.), and on June 28, 2017, two of the Company’s stockholders, City of Lauderhill Police Officers Retirement Plan and Pompano Beach Police & Firefighters Retirement System, filed suit (City of Lauderhill Police Officers Retirement Plan and Pompano Beach Police & Firefighters Retirement System et al. v. Zyskind et al.). These two Delaware derivative actions have been consolidated under the case name In re AmTrust Financial Services, Inc. Derivative Litigation. Plaintiffs in this proceeding filed a Verified Amended Stockholder Derivative Complaint on November 7, 2017 and a Verified Second Amended Stockholder Derivative Complaint on December 11, 2017. The Verified Second Amended Stockholder Derivative Complaint alleges violations of Sections 10(b), 20A, and 29(b) of the Exchange Act, breaches of fiduciary duties, unjust

enrichment, and corporate waste. Such stockholders purport to bring the derivative action on the Company's behalf and raise claims that primarily involve the Company's recent restatement of its financial statements, the identification of material weaknesses in the Company's internal control over financial reporting and recent increases in the Company's loss reserves. The In re AmTrust Financial Services, Inc. Derivative Litigation second amended complaint also seeks reform of the Company's governance practices and damages. The Company believes that the allegations in these pending derivative actions are unfounded and is vigorously pursuing its defenses.

If the Merger is consummated, the Company believes that the plaintiffs in the various shareholder derivative suits described in this section will not have standing to pursue any claims on the Company's behalf.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

This Supplement may contain forward-looking statements within the meaning of the federal securities laws. Forward-looking statements relate to expectations, beliefs, projections, future plans and strategies, anticipated events or trends and similar expressions concerning matters that are not historical facts. In some cases, you can identify forward-looking statements by the use of forward-looking terminology such as "may," "will," "should," "expects," "intends," "plans," "anticipates," "believes," "estimates," "predicts," or "potential" or the negative of these words and phrases or similar words or phrases which are predictions of or indicate future events or trends and which do not relate solely to historical matters.

You should be aware that forward-looking statements involve known and unknown risks, uncertainties, assumptions and contingencies. Although we believe that the expectations reflected in these forward-looking statements are reasonable, we cannot assure you that the actual results or developments we anticipate will be realized, or, even if realized, that they will have the expected effects on the business or operations of the Company. These forward-looking statements speak only as of the date on which the statements were made and we undertake no obligation to update or revise any forward-looking statements made in this Supplement or elsewhere as a result of new information, future events or otherwise, except as required by law. In addition to other factors and matters referred to or incorporated by reference in this document, we believe the following factors could cause actual results to differ materially from those discussed in the forward-looking statements:

- the occurrence of any event, change or other circumstance that could give rise to the termination of the Merger Agreement;
- the outcome of any legal proceedings that has been or may be instituted against the Company or others relating to the Merger Agreement;
- the inability to complete the merger because of the failure to receive, on a timely basis or otherwise, the required approvals by Company stockholders (including the affirmative vote of the (i) holders of at least a majority of all outstanding shares of common stock of the Company and (ii) holders of at least a majority of all outstanding shares of common stock of the Company held by the Public Stockholders);

-
- the inability to complete the merger because of the failure to receive, on a timely basis or otherwise, the required consents of governmental or regulatory agencies or third parties in connection with the merger;
 - the risk that a condition to closing of the merger may not be satisfied;
 - the failure of the merger to close for any other reason;
 - the risk that the pendency of the merger disrupts current plans and operations and potential difficulties in employee retention as a result of the pendency of the merger;
 - the fact that directors and officers of the Company have interests in the merger that are different from, or in addition to, the interests of the stockholders of the Company generally in recommending that such stockholders vote to approve the Merger Agreement;
 - the effect of the announcement of the merger on our business relationships, operating results and business generally;
 - the amount of the costs, fees, expenses and charges related to the merger;

and other risks detailed in our filings with the SEC, including our most recent filing on Forms 10-Q and 10-K. Many of the factors that will determine our future results are beyond our ability to control or predict. In light of the significant uncertainties inherent in the forward-looking statements contained herein, readers should not place undue reliance on forward-looking statements, which reflect management's views only as of the date hereof. We cannot guarantee any future results, levels of activity, performance or achievements.

Because the merger is a "going-private" transaction, the Parent, the Company, Merger Sub, and the other Filing Persons named therein have filed with the SEC a Transaction Statement on Schedule 13E-3 with respect to the merger. The Schedule 13E-3, including any amendments and exhibits filed or incorporated by reference as a part of it, is available for inspection as set forth above. The Schedule 13E-3 will be amended to report promptly any material change in the information set forth in the most recent Schedule 13E-3 filed with the SEC.

The SEC allows us to “incorporate by reference” into the Definitive Proxy Statement and this Supplement documents we file with the SEC. This means that we can disclose important information to you by referring you to those documents. The information incorporated by reference is considered to be a part of the Definitive Proxy Statement and this Supplement and, with respect to the Definitive Proxy Statement and this Supplement but not with respect to the Schedule 13E-3, later information that we file with the SEC will update and supersede such information. Information in documents that is deemed, in accordance with SEC rules, to be furnished and not filed is not deemed to be incorporated by reference into the Definitive Proxy Statement and this Supplement. We incorporate by reference, with respect to the Definitive Proxy Statement and this Supplement but not with respect to the Schedule 13E-3, any documents filed by us pursuant to Section 13(a), 13(c), 14 or 15(d) of the Exchange Act after the date of the Definitive Proxy Statement and prior to the date of the special meeting.

We will amend the Schedule 13E-3 to incorporate by reference any additional documents that we may file with the SEC under Section 13(a), 13(c), 14 or 15(d) of the Exchange Act after the date of the Definitive Proxy Statement and prior to the date of the special meeting to the extent required to fulfill our obligations under the Exchange Act.

No persons have been authorized to give any information or to make any representations other than those contained in the Definitive Proxy Statement and this Supplement and, if given or made, such information or representations must not be relied upon as having been authorized by us or any other person. This Supplement is dated May 24, 2018. You should not assume that the information contained in the Definitive Proxy Statement and this Supplement is accurate as of any date other than that date, and the mailing of the Definitive Proxy Statement to stockholders did not create any implication to the contrary.
