# AmTrust Absence Management Program Highlights

Our absence management program automates employee leaves and handles absences from beginning to end. We create customizable and comprehensive solutions for each client based on what is right for their culture, employee experience and business goals.

## What can our absence management program do for your company?

- Offers a single point-of-intake for leave requests (medical disability, family and medical leave, etc.)
- 24/7 online accessibility for employers and employees-on and off the job
- Provides an end-to-end solution with medical management and healthcare specialization which fills the void between insurer and record keeper
- Ensures caring, expert support during leave times who will provide personal guidance to an employee around navigating leave laws, documentation and procedures
- Generates mandatory and optional employee notices, forms, and documents consistent with corporate requirements
- Summarized reporting information by location, department, shift or supervisor
- Creation, storage, and maintenance of electronic case files

Why should you use our absence management program?

**The program cost is dependent on the overall claims incident rate. Individualized underwriting is provided for each policyholder.**

*\*Currently available to existing or new AmTrust NY and NJ Disability policyholders.*
