

AmTrust AOMobile App

Access your AmTrust *Online* account anywhere you and your small business goes.

The AOMobile app gives you convenient, on-the-go access to many of the same great features you'll find in AmTrust *Online* from your desktop.

Available now for iOS users to download at the App Store

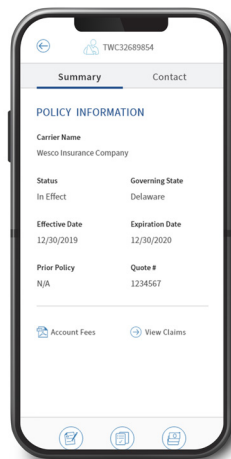

AmTrust's AOMobile app puts your policy information and payment options right in the palm of your hand.

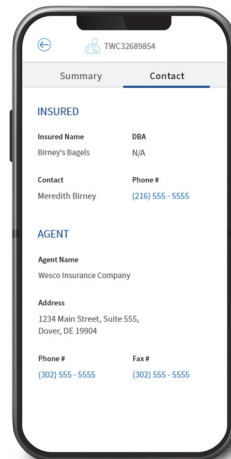

Our policyholders can easily:

- Make a premium payment using Apple Pay, electronic check or credit card
- View account and policy details (carrier name, policy number, coverage date)
- See agent's contact information
- Review payment information including current amount due or remaining balance
- Register for Insured portal login
- Link policies to your account
- Access policy information via branded Apple Wallet passes
- Access to live chat

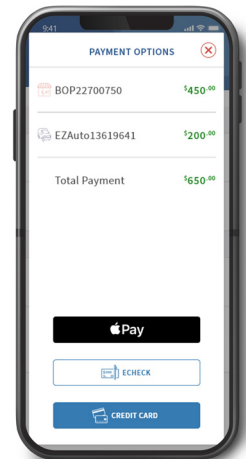

Here's a closer look at some of AOMobile's features:

View your policy information.

See your agent's contact information.

Make a payment using Apple Pay, E-check or credit card.

Download AOMobile today and get access to your AmTrust *Online* account whenever you need it.

Your Success is Our Policy®
