Strategic Partnerships

AmTrust has gone private by partnering with Stone Point Capital LLC, a venerable investor with an extensive track record for success in the insurance industry. We have also partnered with two of the world's strongest and longest-standing reinsurers – Swiss Re and Everest Re (both A.M. Best A+ rated) – who deliver significant value beyond the strength of their balance sheets and provide us with enhanced capital flexibility. These partnerships are a demonstration of our confidence in the strength of AmTrust and our ability to continue supporting your financial institution clients across the U.S.
