Why Choose AmTrust?

A Leader in Small Business Insurance

We have multi-tiered pricing, multi-state and multi-line capabilities, combined with exceptional customer service and a dedicated staff of insurance professionals who all share the same vision. Your success is our policy.

Payment Options

We offer cost-effective and flexible payment options to fit your clients' needs. Choose from Easy Pay, AutoPay (direct debit), credit card or check payments and Pay-As-You-Owe® (PAYO®). Your clients can even make payments from their mobile phones by downloading our AOMobile application from the App Store, which provides iOS users on-the-go access to policy information, payment options and more.

Risk Management

AmTrust's Loss Control department understands that business protection starts with knowledge. We can help mitigate losses in the workplace by giving your insureds the individual attention they deserve, identifying hazards and offering solutions that fit their operation.

Claims Service

Our 24/7 Claims Reporting Center is staffed with specialists who provide live assistance when reporting a claim. We immediately initiate three-point contact between the injured worker, employer and doctor. Regional claims professionals located nationwide, including dedicated adjusters and medical directors, ensure a seamless and efficient process by properly handling your claim from the start.
