

AmTrust E&S Pro - Business Overview

AmTrust E&S Pro works exclusively through a limited number of appointed wholesale brokers, providing niche insurance solutions for many professionals. Products include Errors and Omissions (E&O) insurance for lawyers, insurance-related service professionals, real estate professionals and other miscellaneous service firms. Our underwriting team has years of experience in each product line and will work to provide a solution through our customizable non-admitted products.

Product Portfolio

Real Estate Professionals E&O

Coverage is available for real estate professionals performing residential and commercial sales, leasing, property and project management across both residential and commercial markets.

Lawyers Professional Liability

Targeting law firms of 10 or more attorneys that do not fit the box of standard admitted markets, we offer flexible underwriting guidelines for areas of practice and claims history as well as a wide range of options for limits and retentions.

Miscellaneous Professional Liability

We offer customized E&O coverage for a broad spectrum of classes of business considered harder to place risks as a result of coverage needs or claim history. We specialize in harder-to-place business classes such as benefit plan administrators, franchisors, TPAs and trustees.

Insurance Agents & Brokers

Coverage is available for insurance professionals, including single location general agents, larger retail and wholesale organizations, placing Property & Casualty, Life, Accident & Health and consulting.
