

## **AmTrust bolsters its Property Insurance division with two new appointments**

**8 DECEMBER 2022, LONDON** – AmTrust Financial Services, Inc. (“AmTrust” or the “Company”), a global specialty property and casualty insurer, has announced the appointment of Andy Camber as Lead Underwriter and Pete Philpott, Senior Underwriter, in the Property line of AmTrust International Specialty effective November 2022. Both appointments come as AmTrust seeks to further grow its Property book in the UK and other European markets.

Mr. Camber, who is based in London and reports into Bruce Whitmee, Chief Underwriting Officer at AmTrust Europe Limited, brings with him more than 25 years of London and Lloyd’s market experience in the Commercial Property sector of the UK General Insurance industry. He joins from Brit Insurance, where he was Class Underwriter for more than eight years, leading a team of underwriters delivering profitable results and long-term sustainability. Prior to that, he held senior underwriting roles at Amlin UK and Zurich Insurance.

Mr. Philpott, who is also based in London and reports to Mr. Camber, has more than 15 years of experience in the property sector of the London Market, both within Lloyd’s and the company space. In his previous roles at Argo, and latterly at RiverStone International, Pete was responsible for the profitable development and ongoing management of both the UK and European property classes. He has previously held property underwriting roles at Amlin UK and Zurich Insurance.

Commenting on the new appointments, Mr. Whitmee said: “Underwriting specialised property risks is one of AmTrust’s strengths, and I am delighted to welcome Andy and Pete to the team, both of whom have strong records in this field.”

Mr. Camber said: “I look forward to contributing to the profitable growth of Property insurance at AmTrust where I will be working closely with the Property teams based in Nottingham, London and Dublin. I am ready to take on the challenge of expanding AmTrust’s Property portfolio in the UK and other European markets.”

- ENDS
