## Description of Coverage

- **Lender Placed Property Coverage** – provides coverage to protect mortgaged property held as collateral for a loan when the borrower has failed to maintain their own hazard insurance. Coverage is available for both residential and commercial properties.
- **Foreclosed Property Coverage** – provides coverage for buildings that the insured has acquired through foreclosure.
- **Foreclosed Property Rental Income Coverage** – provides coverage to the insured when a foreclosed property that has been leased to others becomes untenable due to a covered physical damage loss.
- **Foreclosed Premises Liability Coverage** – provides coverage to protect the insured from third party liability claims arising from foreclosed properties.
