

Introducing **AmTrust Access**

A Simpler Starting Point for Your Policyholder

AmTrust Access is a new, centralized hub designed to help policyholders quickly start common tasks and easily find the resources they use most—without confusion or extra steps.

Help Your Policyholders Self-Serve Faster

With AmTrust Access, policyholders can take action quickly in one convenient place.

Policyholders can:

- Make a Payment
- Begin an Audit
- Check Audit Status
- Dispute an Audit
- Start a claim
- Get your Adjuster information
- Download claims kits, forms and guides

—all from a single, easy-to-use hub, with expanded functionality rolling out over time.

No Login Required

There's no username or password to remember. When starting tasks like filing a claim, policyholders simply enter their policy number and ZIP code and are routed directly to the correct workflow.

The Result

A better experience for policyholder—and less friction for you.

Why This Matters for You

One link for nearly every policyholder need

Fewer “Where do I find...?” questions

A smoother, more consistent experience for your clients

Faster self-service with less back-and-forth
