

AmTrust EXEC Product Offerings

We make the simple things easy and the difficult things easier

AmTrust EXEC is a deeply experienced underwriting team, routinely delivering solutions for the unique risks facing executives at privately- and publicly-held companies. We are distinguished by the depth and breadth of our product offerings for medium- and large-sized businesses.

Our Products:

We offer a single, modular product suite customizable for publicly-listed, private and not-for-profit clients, delivering a consistency of coverage and policy application. Our experienced underwriting team is well equipped to deliver bespoke wording solutions to address even the most unique exposures.

- **Elements:** Primary management liability product suite offering commercial clients a tailored solution across **Directors and Officers Liability**, **Employment Practices Liability** and **Fiduciary Liability** coverages.
- **Parallel:** A true follow form **Excess Management Liability policy** designed to mirror the followed policy more comprehensively, reducing the administrative burden and risks associated with misaligned coverage provisions.
- **Axiom:** **Side A DIC** (Difference in Conditions) form providing the breath and security that individual insureds require to backstop their personal assets and affairs. Axiom is also customizable as a ground-up Side A program.
- **Proof:** Our monoline **Commercial Crime** policy covers loss from employee and third-party theft of money, securities and other property. Loss Sustained or Loss Discovered structures are offered on admitted and T-listed paper, with broad coverage including theft language, Employee Theft, Forgery, Robbery, Burglary, Computer & Funds Transfer Fraud, Clients' Property and Fraudulent Impersonation. Standard coverage can be amended to tailor coverage to your clients' specific needs.
- **Parallel Crime & Fidelity:** A proprietary Excess Fidelity and Crime policy offered on a follow-form basis on admitted and T-Listed paper. Available coverage options: Single Loss, Aggregate or Co-Surety.

We have the ability to write coverage on an admitted and non-admitted basis, up to **\$10M in limit capacity**.
