

AmTrust Loss Control

Our visit is only the beginning of our support.

At AmTrust, we realize that your company's assets are its lifeline. That's why we offer the tools, training and support you need to create - and maintain - a hazard-free workplace.

ON-DEMAND EDUCATION

Safety starts with knowledge. Our Online Reference Center houses an array of relevant resources for your business. As an AmTrust policyholder, you have unlimited access to an entire library of streaming video training kits, each with a leader's guide, quiz and certificate of completion. Sign up for your complimentary subscription at amtrustfinancial.com/loss-control and explore our extensive informational resources including sample safety programs, safety handouts and more.

ONGOING SUPPORT

When questions arise, our support team is here to help. In addition to answering questions, our specialists are ready to help with a recommendation letter you may have received after our visit. Whatever your business, whatever your industry, our team can steer you in the right direction. Connect with us at AskLC@amtrustgroup.com or call 888.486.7466.

IN-DEPTH RISK ASSESSMENT

Wherever you are, our loss control specialists are available to help through on-site or virtual inspections. Equipped with experience and insight, our local risk management consultants know what it takes to create a safe workplace. Whatever your needs - from a comprehensive safety and loss control consultation to technical loss analysis - we have the tools to help you create an effective program.

EXPERT TRAINING

Our industry-leading training is designed to minimize daily risks while maintaining productivity and profits. Our Train the Trainer classes will enable your training staff to empower your workforce to operate safely and efficiently.

The road to successful risk management does not have to be long or bumpy. Together we can take your business to a new level of safety and profitability.
