National Association for Business Resources lists AmTrust among top employers

New York, October 27, 2021 – AmTrust Financial Services, Inc. (“AmTrust” or the “Company”), a global specialty property and casualty insurer, today announced that it has been recognized as among the 2021 Best and Brightest Companies to Work For in the Nation by The National Association for Business Resources.

Recipients of the award were selected by an independent research firm which reviewed a number of key measures relative to other nationally recognized winners. AmTrust, along with fellow The Best and Brightest Companies to Work For in the Nation winners, will be honored during the virtual Illuminate Business Summit week in November 2021 and in the spring of 2022.

“AmTrust is committed to a workplace that is diverse and inclusive, develops talent, recognizes and rewards performance, and embodies our core values,” said Chaya Cooperberg, Chief People and Communications Officer for AmTrust. “Being named a Best and Brightest Company to Work For is a great recognition of our efforts to support our employees across all of the pillars of wellness, including mental, emotional, physical and financial, and our belief that people are AmTrust’s greatest asset.”
